

## **Bath High School 2008 Boys Soccer Team Camp**

Dear parents and players,

We are excited to announce the finalized details of our summer team camp. The team camp will be July 21, 22, and 23. Our camp will be administered by a highly qualified staff, led by Jeremy Parkins who is the Director of Soccer Business Development for the Columbus Crew. The camp will focus on individual skills, technique, and team concepts. Camp will be very fun yet challenging. It will be located at our practice fields in Bath. We are very fortunate that they will be coming to us for a very reasonable price. The camp will be open to all boys who will be in high school next year as well as players who will be going into the eight grade this year (those players who are currently 7th graders). Camp will tentatively run from 9am-3pm with an hour long lunch at noon. Players should be prepared to bring a lunch and plenty of water. We will have a canopy tent set up so players can get out of the sun during lunch and other breaks. Please return the attached forms as soon as possible.

Best Regards,  
Britt Munson  
Seth Ramsey

### About Jeremy Parkins

Jeremy is a local product who graduated from Bluffton High School. Jeremy played on several club teams and at the collegiate level at Capital University before transferring and graduating from the University of Findlay in 2005 majoring in Information Technology and Computer Science. Recently Jeremy joined The Columbus Crew front office as the Director of Soccer Business Development after spending 2 years as a member for the Columbus Crew reserve team. Jeremy brings coaching experience that includes being a current Capital University assistant; Crew Juniors U17s head coach, and previously, head men's coach at Urbana University. Extensive experience as a club coach working with both boys and girls of all ages, he has also been a camp instructor at the Club, High School, College and MLS levels.

### Camp Checklist

Soccer Ball  
Shin Guards
